

# NJAET Photo Contest

## Picture New Jersey

### THE THEME

Summer vacation is coming! and NJAET has a summer assignment for our members.

### THE CHALLENGE

Show off your clever use of technology by taking a photo of yourself at your favorite New Jersey location, then post your photo on your favorite social media site with the hashtag: #NJAETstars

### BE CREATIVE

In your photos, be sure to hold up your technology (your phone, your tablet, Go-pro, whatever!).

Take your photos in places like Jersey's parks, monuments, beaches, historical sites, just plain weird sites, or any other places in the state that represent to you New Jersey's look and feel. Post your photos on social media sites like Twitter, Facebook, Instagram, or Pinterest. Be sure to include your name, email, and identification of your selfie site.
